[PRETTY SOLDIER SAILOR MOON S OPENING #1]

MUSIC SELECTION: "MOONLIGHT DENSETSU (MOON LIPS)"

(Michelle Kaioh is standing in an endless ocean, which only comes up to her knees. with her eyes closed. She's also holding her right hand against her right ear.)

MUSIC SELECTION: "SAILOR MOON S MUSIC COLLECTION - "ASA NO NAMIKIDOU (PART A)"

Michelle The sea is full of so many mysteries. I can't help but wonder about its depth. Bottomless... Wonderful... Scary... Sometimes I dream about it. Though the sea brings happiness, it also brings fear and fatality. So many have gone so deep, but how deep can you go without having a bleeding heart?

(A whirlpool of water carries Michelle above sea-level for an instant before submerging her. She is seen with her eyes still closed, but both arms are at her sides.)

Michelle The sea is life. Life is the sea. We go deeper as we grow older. But no matter how bad it gets, I want to go deeper. I want to take a Deep Submerge. The deepest of its kind. Deep Submerge...

[EPISODE TITLE]

MUSIC SELECTION: "SAILOR MOON S MUSIC COLLECTION - SUBTITLE"

(In his laboratory, a recording of a famous pianist is playing as Professor Tomoe is using a powerless keyboard to mime the recording. The phone rings and he picks it up.)

MUSIC SELECTION: "SAILOR MOON S MUSIC COLLECTION - DEATH BUSTERS NO YABOU"

Eudial Professor, I've gotten more news on the - what is that sound?

Professor Tomoe That sound, Eudial, is the sound of music being played on the magnificent piano. Its remarkable power to reach every octave marks it as the supreme musical instrument.

(Tomoe stops miming and presses "STOP" on the tape player.)

Professor Tomoe Speaking of instruments, I hope you'll be bringing me the three distinct instruments of power very soon, Eudial.

Eudial Of course, Professor. I've found our next target, and I'm sure he will serve us the instrument we need.

Professor Tomoe And his relation to music is?

Eudial He is famous across the world for his voice.

Professor Tomoe Excellent! Now go and steal his heart! And make sure to finally take care of those meddlesome Sailor Soldiers! For GOOD!

(Tomoe laughs maniacally while pressing "PLAY" on the cassette player and continuing his miming performance. A small keyboard, different from Tomoe's, is seen being placed in the heart snatcher oven. The oven closes and starts emitting pink steam. Afterwards, it is seen being loaded into Eudial's car, and she, in her white labcoat, is seen buckling her seatbelt. She then speeds out of an ocean and onto a beach, nearly hitting the beach volleyball players.)

(Serena Tsukino is laying down on her back on a park bench. There are study books stacked on the ground beneath her head and another study book on her chest. She's mumbling in her sleep.)

MUSIC SELECTION: "SAILORMOON - YUUJOU, SHOSHITE AI"

Serena Stupid entrance exams...I'll punish you...in the name of the Moon...yep...

(Raye Hino and Amy Mizuno rise from behind the bench. Amy has a scared but curious expression while Raye has a very angry look.)

Raye Serena!!!!

(Serena's eyes widen, and she jumps up and grabs for the book on her chest, but it ends up flying above her head and crashing down on it painfully.)

Serena UWAAAA!

Raye We can't even leave her alone with study books for a minute without her snoozing it off!

Amy Did you try to stay awake at all, Serena?

Serena And what if I answer yes? Will Raye believe me?

Raye Probably, since you do nothing but sleep and pig out during our study sessions at the shrine!

Serena Hey, I do try at the shrine! Raye, you're so mean!

Raye Oh, so that's why your nose has been so close to the paper? You weren't sleeping at all?!

Amy Raye, remember what we came back for in the first place.

Serena What? You didn't come to bully anyone, Raye?! Because that seems to

be all you're interested in!

Amy Serena!

Raye Serena! There's someone we want you to meet! Now stop wasting time and walk!

(Raye grabs Serena's arm and pulls her away from the bench, followed by Amy.)

(Michi Yoshikazu is sitting on another park bench well away from the general public. He is seen drawing a picture of a gorgeous mermaid drawn in pencil and pigma ink. Serena, Amy, and Raye watch as he finishes erasing the pencil lines. Serena exclaims how impressed she is, frightening Michi only a little.)

MUSIC SELECTION: "SAILOR MOON S MUSIC COLLECTION - KOISURU OTAME WA TOMARANAI (PART B)"

Serena Wow! She looks so beautiful and elegant!

Raye Serena! You shouldn't approach an artist that way!

Amy We're sorry to disturb you again, Michi, but we just wanted you to meet a dear friend of ours.

Serena I'm Serena Tsukino. Nice to meet you!

Michi Michi Yoshikazu. Pleased to make your acquaintance, Serena.

Serena I just love your drawing! That mermaid is just so beautiful. I've never seen such a detailed drawing before!

Michi Thank you, Serena.

(Michi ushers the trio to sit down as he closes his sketchbook and returns his drawing utensils to their case. Serena, Amy, and Raye take their seats.)

Serena So, how long have you been drawing?

MUSIC SELECTION: "SAILOR MOON SUPERS MOVIE COLLECTION - TO TOUCH LOVE [PERLE'S THEME] (PART A)"

Michi Since I was about twelve. But I wasn't very good at all. I was much better at music than anything else back then. I love all forms of art, but music has always stood out to me. Music conveys so much more emotion than a still image or a scene from a play, TV show, or movie. Even a play is enhanced by simply adding music. And I enjoy conveying emotion to others around me and connecting with people through music.

Raye *For some reason, Michi sounds a lot like a male version of Michelle. They both love art and music.*

Michi In fact, I'll be performing in a concert tonight with Michelle Kaioh. I have free tickets if you would like to attend.

Amy Michelle Kaioh?!

Serena Free tickets?!

Raye *Just like Michelle...*

(Michelle is seen standing on a real beach this time. She looks out to sea as if waiting for something. Her eyes aren't moving and they aren't blinking either. Her feet are submerged.)

Michelle *Everytime I think about him, the sea roars as if he's in danger. He must be the next target.*

(We see a flashback of Michi and Michelle sitting next to each other in front of sheets of music and then again in front of beautiful pieces of artwork.)

MUSIC SELECTION: "MOONLIGHT SYMPHONY ORCHESTRA - SHOKUBUTSUEN NO HAPPENING! (PART A)"

Michelle *We took all the same classes back then. The same music teacher... The same art teacher... We even did joint concerts.*

(We see a part of Raye's recurring premonition of the world's end at the hands of the Deadly Silence. People are being torn to shreds, and it's going dark. The three lights appear in the sky, and they merge into one before disappearing into the darkness.)

MUSIC SELECTION: "SAILOR MOON S MUSIC COLLECTION - THE PRETTY SOLDIERS' BIG WAR! (PART A)"

Michelle *But then the visions started. I didn't know what they meant then, but now...*

(Michelle remembers saying good-bye to Michi in another vision.)

MUSIC SELECTION: "SAILOR MOON S MUSIC COLLECTION - "ASA NO NAMyKIDOU (PART B)"

Michi I'll make sure to remember you, Michelle.

Michelle Me too. I want you to know, Michi. I want you to know that you've inspired me with your beautiful voice and your remarkable talent with pencil drawings.

Michi Michelle... It is you who has inspired me. Your silence and calm nature... I wish I could be just like that. And I've tried to play the violin, but I'll never be as good as you... Take care, my friend...

Michelle Good luck on your tour. I'll look for you in the headlines.

(Michelle comes out of the memory and is seen kneeling on one knee, that knee submerged as well as her feet.)

Michelle *It still surprises me, somehow... He was only 14-years old...two years ago... And he still managed to become a star and tour the world!*

(Michelle is in another memory of her floating in a pool with her eyes closed. She is relaxing her worry for Michi away. While relaxing, she falls asleep.)

(She dreams about the Deadly Silence again, but with new individuals in the sky. Sailor Pluto's silhouette holding up her staff is seen. One of the twinkles disappears into the staff, and Pluto's silhouette turns to Michelle a little before disappearing.)

Sailor Pluto You have to find the Ambassador of Good quickly. Only you two and your powers can do this.

(Sailor Neptune's silhouette appears behind Michelle. She nods as if Pluto were talking to her.)

(Michelle wakes from her vision with her eyes closed, initially. She puts her hands up to her ears.)

Michelle I can hear the sea in my ears! And it doesn't sound calm at all!

(She opens her eyes to find the pool completely drained. A parasite-worm-like monster is standing over her. It tries to attack with its sharp and intimidating teeth, but then the Neptune Lip Rod appears in a flash of aquamarine light and destroys the monster. Michelle hesitantly reaches for it, but her communicator pops her out of her memory before she grabs it.)

Amara The Heart Snatchers have selected a new target. Michelle...it's him...

MUSIC SELECTION: "SAILOR MOON S MUSIC COLLECTION - EYE CATCH" x2

(Eudial is seen pulling up behind a building and aims her gun straight through the bushes at Michi's heart. By this time, Serena, Amy, and Raye have left to go study, but they are still in the area.)

MUSIC SELECTION: "SAILOR MOON S MUSIC COLLECTION - DAIMON SHUTSUGEN (PART A)"

Eudial Let the fat lady sing!

(She shoots...and she scores. Michi gets blasted in the back, His scream was heard throughout the park as his heart crystal appears in front of his chest. He collapses on the bench. Serena, Amy, and Raye hear his scream and appear out of Eudial's sight as she walks from her car to collect the crystal.)

Amy Oh, no! It's Eudial!

Raye Time to transform!

Serena Right!

Eudial Not again...

MUSIC SELECTION: "MOONLIGHT SYMPHONY ORCHESTRA - MOERU BISHOUJO SENSHI (PART A)"

Sailor Mercury Soldier of Love and Exams, Sailor Mercury!

Sailor Mars Soldier of Love and Passion, Sailor Mars!

Sailor Moon I am the pretty sailor-suited Soldier of Love and Justice, Sailor Moon! In the name of the Moon, we'll punish you!

Eudial As usual, I've no time for you meddling Soldiers! Come out!

(The car's trunk opens and sends pink smoke into the park. The heart snatcher appears. It has a keyboard for a chest with piano keys for fingers and toes. It also has a rhythm timer on top of its head, and its eyes and nose are covered by a black, metallic veil.)

MUSIC SELECTION: "SAILOR MOON S MUSIC COLLECTION - HENSHIN! SAILOR SENSHI (PART A)"

Keya KEEEEEEYAAAAAAAA!

Eudial Keya, take care of them now!

Keya Yes! Performance!

(Keya uses the black keys on its chest to create an out-of-tune composition that knocks the Soldiers against trees. Once again, the Sailor Soldiers need help!)

(Amara and Michelle are hiding behind trees watching as the Soldiers are getting thrashed. Amara pulls out her Uranus Lip Rod.)

Amara Michelle... No matter what, we must get that crystal...

(Michelle pulls out her own Neptune Lip Rod.)

Michelle I know...

Amara Uranus Planet Power!

Michelle Neptune Planet Power!

(Amara and Michelle transform into Sailor Uranus and Sailor Neptune, respectively. The combined transformations takes about 34 seconds total.)

(Uranus uses an out-of-sequence World Shaking attack to knock the crystal out of Eudial's hands, narrowly missing both her hands and the crystal.)

Eudial So you showed up after all?

MUSIC SELECTION: "SAILOR MOON S MUSIC COLLECTION - URANUS, SOSHITE, NEPTUNE (PART B)

Sailor Uranus Absolutely. Invited by the new era, Sailor Uranus, appearing gorgeously!

Sailor Neptune Likewise. Invited by the new era, Sailor Neptune, appearing gracefully!

MUSIC SELECTION: "SAILOR MOON S MUSIC COLLECTION - UBAWARETA JUNSUI NA KOKORU NO KESSHOU (PART B)"

Sailor Uranus World Shaking!

(Eudial dodges the attack and reappears in her usual red attire.)

Eudial Keya, stop those two! Don't let them touch that crystal!

(Keya nods and dashes toward Uranus and Neptune.)

Sailor Mercury Mercury Bubbles Blast!

(The bubbles from Mercury's attack create a mist that obstructs Keya and Eudial's vision of Uranus and Neptune. Sailor Mars siezes her chance.)

Sailor Mars Mars Celestial Fire Surround!

(Mars's attack singes Keya as Neptune retrieves the heart crystal. In secret, she analyzes it.)

Sailor Neptune It's not a crystal treasure!

Sailor Uranus Once again, you've missed the mark, Eudial.

(Eudial has had enough. She pulls out her Fire Buster and fires it through the fog and at Neptune.)

Eudial Take this! Fire Buster!

Sailor Neptune Deep Submerge!

(The water-based attack plunges straight through the blast. The fog clears and Sailor Moon sees that Neptune has the crystal. She runs to Neptune to plead for it.)

Sailor Moon Neptune! Please!

Sailor Neptune Don't worry. It's all yours.

(She sends the crystal soaring toward Sailor Moon.)

Eudial Fire Buster!

Sailor Neptune Deep Submerge!

Sailor Mercury Shine Aqua Illusion!

(Neptune's attack, out-of-sequence, once again defeats the Fire Buster, and Mercury's attack freezes Keya.)

Sailor Mars Sailor Moon! Now!

Sailor Moon Here we go!

MUSIC SELECTION: "SAILOR MOON S MUSIC COLLECTION - THE PRETTY SOLDIERS' BIG WAR (PART C)

Sailor Moon Moon Spiral Heart Attack!

(Sailor Moon's attack finishes Keya off, and Keya turns back into a keyboard. The heart snatcher egg separates from the keyboard and breaks, releasing the heart snatcher spirit.)

Keya Lovely!

(Neptune's attack finally damages the Fire Buster enough to render it useless.)

Eudial You'll all pay dearly for your disturbance!

(She jumps in her car and speeds away.)

Sailor Moon OUR disturbance? Are you kidding me?

(Uranus and Neptune leap away gracefully, disappearing before anything else happened. Sailor Moon, Mercury, and Mars find Michi and allow his heart crystal to sink into his body. They then detransform before Michi opens his eyes.)

MUSIC SELECTION: "SAILOR MOON S MUSIC COLLECTION - AI NO KISEKI (PART A)"

Raye Michi!

Michi What happened? All I can remember is getting hit from behind...

Amy Take it easy, you've been through alot.

Serena Yeah, just relax. We'll explain later.

(Michelle smiles as she walks onto a stage with Michi and his band from either sides of the stage. Michelle and Michi meet in the middle.)

MUSIC SELECTION: "MUSIC FANTASY - SAILOR ILLUSION"

Michi It's been a while...Michelle...

Michelle Yes, it has...Michi...

(The crowd goes wild as Michi and Michelle get into their places. Serena, Amy, Raye, Lita, Mina,

Darien, and Chibiusa are cheering in the front row next to Amara who is sitting quietly smiling at the bunch. Serena, Amy, and Raye's excitement clearly surpasses everyone else's excitement. Michi and Michelle exchange smiles as the music starts.)
